

TODAY I COULD TELL YOU

Today I could tell you, for instance,
That life is a gift,
That colour invades my eyes,
That your stele is the certainty on the road,
That time passes swiftly,
That love is an immense ocean.

But words are sometimes superfluous,
They may even seem obscene.
It's enough for me to contemplate you in your dreams
And know that you deeply breathe.

Here again, wherever the Wind Takes us (2014-2018)
