

SOLEDAD¹

- She'll know what she's doing – he told the police in a low tone so as not to disturb.
- She'll know what she's doing – he said arrogantly to his friend and subordinate, the assistant manager of the bank branch.
- Ssshe'll knower what sshe's doin' – he mumbled after taking the last drink at the bar.

Her name was María Soledad. After many years of living behind bars, she became aware that denunciation and distance were her only salvation. She had never felt so self-confident when it came to making a decision, but a year later she looked into those eyes of maddened varmint for the last time.

¹ *Soledad* is a woman's name. It also means *solitude* in Spanish

Collection of micro-stories “Maybe or perhaps”
